Each event is a representation of a path that you have taken in your journey. Some events maybe lead to other events (like prerequisites), while others may overlap.

Event 8

Event 6

Here begins your journey. This timeline will contain events such as: courses, youtube videos, jobs, etc. that you have experienced while grinding for your goals. Will be chronologically ordered below.

Here you must input the new skill(s) you have obtained. It can be from a course in school, online, a youtube video, or an internship. Then below, you must explain what you learned and how you applied that knowledge to an application you've created (if applicable). This can be done via a youtube video demonstrating your product, file for code, pictures, etc.
